

# “Water All Around the World”

Highland Presbyterian Church  
Vacation Bible School  
June 11th-14th, 2018

All Children Welcome:  
potty-trained 3's - Rising 6th graders

3-year-olds - rising 3rd graders:  
hours 9:00-12:00, cost \$20

Rising 4th - Rising 6th graders:  
hours 9:00 - 3:00, cost \$40

Other things to note:

This year, we are capping VBS registration at 84 participants. Please note that turning in your registration by May 15th is the surest way of securing a spot for your child. Other factors that will help ensure your child(ren) a spot is parent's ability to volunteer and whether child(ren) are already active in the children's ministries of HPC!

Also, adult volunteers must have a background check on file at HPC (completed within the past two years). If yours isn't up to date, we'll send you the form to fill out. There is no fee associated with the background check.

Participants are also invited to join us in worship at 11:00 a.m. on Sunday, June 17th as the children participate in worship using the things that they've learned in VBS.

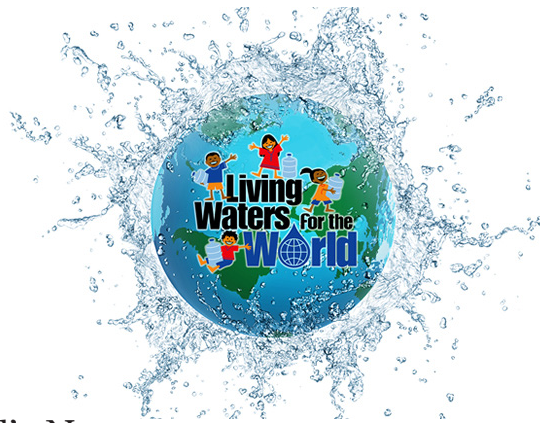

**We rely on volunteers to make VBS a success!** Please let us know your plans for volunteering by checking those dates and times on the registration forms! Childcare will be available for volunteers with little ones. Grandparents, youth, and sitters are welcome to help too! Thank you!

Please turn in one registration form for your family **as well as an emergency medical form for each child** participating (the medical form is not necessary if the child already has one on file for this year at Highland!). Please return completed registrations by May 15th to:
