Vacation Bible school is a great way for children to learn more about God, about themselves, and about each other! Throughout these four days, we'll study miracle stories in the Bible through art, music, drama, science, and recreation! Children in older groups will also enjoy tie-ins from the Harry Potter Series, the Land of Stories Series, and other popular children's literature! Afternoon hours for rising 4th-6th graders will be used for on- and off- site service projects!

Participants are also invited to join us in worship at 11:00 a.m. on Sunday, July 14th as the children participate in worship sharing what they've learned in VBS!

We rely on volunteers to make VBS a success! Please let us know your plans for volunteering by checking a volunteer option on the registration form! Childcare will be available for volunteers with children too young for VBS. Please consider also noting your willingness to volunteer on the registration forms. Adult volunteers must have a background check on file at HPC (completed in the past two years). If yours isn't up-to-date, we'll send you the form to fill out. There is no fee associated with the background check.

Please turn in one registration form for your family **as well as an emergency medical form for each child** participating (the medical form is not necessary if the child already has one on file for this year at Highland!). Please return completed registrations by May 1st to:
